FINE BAKING & DELICATESSEN INC.

*Happy Thanksgiving*

You can feel it in the air; Thanksgiving is rapidly approaching.

While it may be a little different for most of us this year, we are focusing on making every small gathering as special as possible. Great food, great company, great times while we all work at keeping everyone we care about healthy and safe.

An illustration of autumn leaves in shades of orange and red, positioned on the left side of the page. The leaves are stylized with visible veins and are set against a light background.

This holiday we strongly recommend pre-ordering the items you want, whether turkey, breads & buns, wrapped hams, desserts & pies.

We are operating with very reduced production capacity and top priority will be given to pre-orders. Orders will be filled on a first come first serve basis, until we have sold out or reached maximum production capacity.

As usual we have turkeys on order from JD Farms, and this year we are also offering JD Farms mixed meat Turkey Roasts (turkey breast wrapped around a core of thigh meat to keep it all moist & delicious).

Orders will be filled in the order they are placed, until we are sold out.

Whether you prefer a baked ham or a blackforest ham, we will glaze it with honey and/or mustard, wrap it in dough and either partially bake, or fully bake for you.

Once wrapped, the ham is essentially “steamed” in the dough while baking making it deliciously tender.

And to top off a great meal, a St. Honoure carrot cake or pie(s).
